Notes
R6.1 - Change in Control - The statutory deadline is 60 working days (at least 84 calendar days) after receiving a 'complete' notification. We can pause the process once during that period, for a maximum of 30 days, to request further information from the applicant. The days reported in the lower quartile, median and upper quartile are not working days, but the total number of calendar days between receipt of a notification, complete or not, and our determination. Where we receive an incomplete notification, the elapsed period between receipt and determination will include the period in which we are seeking, or waiting to receive, the missing information.
A1.3 - 5MLD - We began reporting the 5MLD metric in Q1 2024/25.
