FACTS AND MATTERS

4. A1L was authorized by the Authority on 23 June 2015 and has Part 4A permission to conduct the following regulated activities in relation to consumer credit:
 - a. Agreeing to carry on regulated activities; and
 - b. Credit-broking.
5. A1L failed to pay periodic fees and levies owed to the Authority as required under the Handbook under the rules set out in FEES 4.2.1R, 4.3.1R, 5.7.1R, 6.7.1R, 6.7.3R, 7A.3.1R and 13.2.1R. In particular, A1L has failed to pay:

- a. an invoice dated 10 July 2019 for periodic fees and levies of £156.19 which had been due for payment by 9 August 2019;
 - b. an invoice dated 30 September 2020 for periodic fees and levies of £210.33 which had been due for payment by 29 December 2020;
 - c. an invoice dated 29 September 2021 for periodic fees and levies of £355.30 which had been due for payment by 28 December 2021; and
 - d. an invoice dated 6 September 2022 for periodic fees and levies of £458.24 which had been due for payment by 6 October 2022.
6. In addition, under SUP 16.3.13R, 16.12.3R, SUP 16.12.4R and SUP 16.12.29CR, A1L is required to submit the Returns to the Authority by the relevant due date. However, A1L has failed to submit the Returns to the Authority. Furthermore, under SUP 16.10.4R, 16.10.4AR and 16.10.14AAR, A1L is required to submit the FDA to the Authority by the relevant due date. However, A1L has failed to submit the FDA to the Authority.
7. The Authority therefore considers that A1L has failed to provide information to the Authority as is required by the Handbook, namely the information it is required to provide in the Returns and in the FDA.
8. On 1 June 2023, the Authority gave A1L the Notice which stated that:
- (a) it appears to the Authority that A1L is carrying on no regulated activity to which its Part 4A permission relates; and
 - (b) the Authority may take action to cancel A1L's Part 4A permission unless it responds to the Notice in the manner specified in the directions to the Notice.
9. A1L failed to respond the Notice.
10. As a result of the matters specified above, on 11 July 2023, the Authority gave A1L the Further Notice which stated that:
- a) the Authority considered that A1L is carrying on no regulated activity to which its Part 4A permission relates; and
 - b) the Authority proposes to cancel A1L's Part 4A permission unless A1L takes the steps specified in the directions to the Further Notice.
11. A1L failed to take the steps specified in the Further Notice.

CANCELLATION OF PART 4A PERMISSION

12. From the facts and matters described above, and having regard to paragraph 1(3) of Schedule 6A to the Act, the Authority considers that A1L is carrying on no regulated activity to which its Part 4A permission relates. The Authority has therefore decided to cancel A1L's Part 4A permission. The cancellation of A1L's Part 4A permission takes effect on the date of this Notice of Decision.
13. The statutory and regulatory provisions relevant to this Notice of Decision are set out in the Annexes.

The following paragraphs are important.

15. If A1L is aggrieved by the decision to cancel its Part 4A permission as set out in this Notice of Decision, A1L may make an application for an annulment of the Authority's decision under paragraph 4 of Schedule 6A to the Act.
16. A1L must submit a completed application for an annulment of the Authority's decision to the Authority by 6 August 2024 and in the manner specified by the Authority.

RELEVANT HANDBOOK PROVISIONS

In exercising its power to cancel an Authority-authorised person's Part 4A permission, the Authority must have regard to the regulatory requirements and guidance published in the Handbook and in regulatory guides, such as EG. The main considerations relevant to the action stated in this Notice of Decision are set out below.

Relevant Rules

6. FEES 4.2.1R requires that:

"A *person* shown in column (1) of the table in *FEES 4.2.11 R* as the relevant fee payer must pay each periodic fee applicable to it, calculated in accordance with the provisions referred to in column (2) of the applicable table, as adjusted by any relevant provision in this chapter:

10. SUP 16.3.13R(1) requires that:

"A *firm* must submit a report required by this chapter in the frequency, and so as to be received by the [Authority] no later than the due date, specified for that report."

15. SUP 16.3.13R(4) states that:

“If the due date for submission of a report required by this chapter is a set period of time after the end of a half-year, a quarter, or a month, the dates will be determined by (a) or (b) below except where otherwise indicated:

(a) the *firm's accounting reference date*;

(b) monthly, 3 monthly or 6 months after the *firm's accounting reference date*, as the case may be.”

16. The specific reporting requirements for A1L are set out in SUP 16.12.3R, SUP 16.12.4R and SUP 16.12.29CR which stipulate the type, frequency and due date of the regulatory report which A1L is required to submit, according to the regulated activities which A1L has permission to conduct:

RAG Number	Return(s) applicable (Relevant rule)	Frequency of return(s) to be submitted (Relevant rule)	Due date of return(s) to be submitted (Relevant rule)

17. SUP 16.10.4AR(1) specifies that:

“A firm must submit any corrected firm details under SUP 16.10.14R(3) using the appropriate online systems accessible through the [Authority’s] website.”

18. SUP 16.10.14AAR, which applies where, in complying with SUP 16.10.14R(1), a firm does not need to submit corrected firm details under SUP 16.10.14R(3), specifies that:

“(2) Within 60 business days of its accounting reference date, a firm must submit a report to the [Authority] confirming that the firm details which it has checked under SUP 16.10.14R(1) remain accurate, using the appropriate online systems accessible through the [Authority’s] website.”

Guidance concerning the use of the Authority's additional power to cancel an authorised firm's Part 4A permission on its own initiative

19. Guidance on the use of the Authority's power to cancel an Authority-authorised person's Part 4A permissions on its own initiative under Schedule 6A to the Act is set out in SUP and EG.
20. EG 8.5.2A states that the Authority may cancel the Part 4A permission of a firm that is an Authority-authorised person, under Schedule 6A of the Act, if:
 - (1) it appears to the Authority that the firm is carrying on no regulated activity to which the permission relates; and
 - (2) the firm has failed to respond as directed by the Authority to notices served by the Authority to the firm under paragraph 2 of Schedule 6A.
21. EG 8.5.2A also states that Schedule 6A specifies that the Authority may form the view that a firm is carrying on no such regulated activity on the basis of its failure to pay a periodic fee or levy or provide information to the Authority, in each case as required by the Handbook.
22. SUP sets out further guidance on the Authority's power under Schedule 6A of the Act. In particular, SUP 7.2.2AG states that the Authority may decide to cancel an Authority-authorised person's Part 4A permission using its powers under Schedule 6A of the Act:
 - (1) if that person appears to the Authority not to be carrying on any regulated activity to which the permission relates, including, without restriction, if the person has failed to:
 - (a) pay a periodic fee or levy under the Handbook; or
 - (b) provide the Authority with information required under the Handbook; and
 - (2) if that person, when served by the Authority with two notices under paragraph 2 of Schedule 6A of the Act, has not:
 - (a) responded in the manner directed, in those notices or otherwise, by the Authority; nor
 - (b) taken other steps as may also be directed by the Authority;

the second of which notices will specify the effective date of the proposed cancellation.

 - i. SUP 7.2.2DG states that:
 - (1) the Authority's additional own-initiative variation power under Schedule 6A to the Act (which includes the power to cancel the Part 4A permission of an Authority-authorised firm under Schedule 6A of the Act and references to "additional own-initiative variation power in the remainder of this Notice of Decision should be read as such) has, unlike the Authority's own-initiative variation power under section 55J of the Act, a single basis: that it appears to the Authority that the relevant Authority-authorised person is not carrying on any regulated activity to which its Part 4A permission relates.
 - (2) if the Authority uses its additional own-initiative variation power, it is therefore more likely to cancel the relevant firm's Part 4A permission, rather than merely varying it

by removing or amending the description of one or more such activities or by imposing one or more limitations.

(3) the Authority will, however, consider all relevant facts and circumstances, including, without restriction:

(a) the relevant firm's responses, if any, to the notices given by the Authority under paragraph 2 of Schedule 6A; and

(b) if applicable, the factors described in SUP 6.4.22G, including whether there are any matters relating to the firm requiring investigation,

before deciding whether to use its additional own-initiative variation power and whether to use it to cancel or vary.

23. SUP 7.2.7G(1) states that a firm has no right of referral to the Tribunal in respect of the Authority exercising its additional own-initiative variation power, under Schedule 6A to the Act, on the Authority-authorized firm's Part 4A permission.
