FACTS AND MATTERS

4. DQN was authorised by the Authority on 20 October 2008 and has a Part 4A permission to conduct the following regulated activities:
- advising on investments (except on pension transfers and pension opt outs);
 - advising on p2p agreements;
 - agreeing to carry on a regulated activity.
 - arranging (bringing about) deals in investments; and

- making arrangements with a view to transactions in investments.
5. DQN failed to pay periodic fees and levies owed to the Authority as required under the Handbook under the rules set out in FEES 4.2.1R, 4.3.1R, 5.7.1R, 6.7.1R, 6.7.3R, 7A.3.1R and 13.2.1R. In particular, DQN failed to pay an invoice dated 31 August 2022 for periodic fees and levies of £1,555.31 which had been due for payment on 30 September 2022.
 6. Under SUP 16.3.13R, SUP 16.7A.3R, SUP 16.12.3R, SUP 16.12.4R, SUP 16.12.12R, SUP 16.12.25R (and the further rules specified therein) in Chapter 16 of SUP and DISP 1.10.1R, DQN is required to submit the Returns to the Authority by the relevant due date. However, DQN has failed to submit the Returns to the Authority. The Authority therefore considers that DQN has failed to provide information to the Authority as is required by the Handbook, namely the information it is required to provide in the Returns.
 7. Under SUP 16.10.4R, 16.10.4AR and 16.10.14AAR, DQN is required to submit the FDA to the Authority by the relevant due date. However, DQN has failed to submit the FDA to the Authority.
 8. On 28 June 2023, the Authority gave DQN the Notice which stated that:
 - (a) it appears to the Authority that DQN is carrying on no regulated activity to which its Part 4A permission relates; and
 - (b) the Authority may take action to cancel DQN's Part 4A permission unless it responds to the Notice in the manner specified in the directions to the Notice.
 9. DQN failed to respond to the Notice.
 10. As a result of the matters specified above, on 22 August 2023, the Authority gave DQN the Further Notice which stated that:
 - a) the Authority considered that DQN is carrying on no regulated activity to which its Part 4A permission relates; and
 - b) the Authority proposes to cancel DQN's Part 4A permission on 18 September 2023 unless DQN takes the steps specified in the directions to the Further Notice.
 11. DQN failed to take the steps specified in the Further Notice.

CANCELLATION OF PART 4A PERMISSION

12. From the facts and matters described above, and having regard to paragraph 1(3) of Schedule 6A to the Act, the Authority considers that DQN is carrying on no regulated activity to which its Part 4A permission relates. The Authority has therefore decided to cancel DQN's Part 4A permission. The cancellation of DQN's Part 4A permission takes effect on the date of this Notice of Decision.
13. The statutory and regulatory provisions relevant to this Notice of Decision are set out in the Annexes.

Guidance concerning the use of the Authority’s additional power to cancel an authorised firm’s Part 4A permission on its own initiative

23. Guidance on the use of the Authority’s power to cancel an Authority-authorised person’s Part 4A permissions on its own initiative under Schedule 6A to the Act is set out in SUP and EG.

24. EG 8.5.2A states that the Authority may cancel the Part 4A permission of a firm that is an Authority-authorised person, under Schedule 6A of the Act, if:

- (1) it appears to the Authority that the firm is carrying on no regulated activity to which the permission relates; and
- (2) the firm has failed to respond as directed by the Authority to notices served by the Authority to the firm under paragraph 2 of Schedule 6A.

25. EG 8.5.2A also states that Schedule 6A specifies that the Authority may form the view that a firm is carrying on no such regulated activity on the basis of its failure to pay a periodic fee or levy or provide information to the Authority, in each case as required by the Handbook.
26. SUP sets out further guidance on the Authority's power under Schedule 6A of the Act. In particular, SUP 7.2.2AG states that the Authority may decide to cancel an Authority-authorized person's Part 4A permission using its powers under Schedule 6A of the Act:
- (1) if that person appears to the Authority not to be carrying on any regulated activity to which the permission relates, including, without restriction, if the person has failed to:
 - (a) pay a periodic fee or levy under the Handbook; or
 - (b) provide the Authority with information required under the Handbook; and
 - (2) if that person, when served by the Authority with two notices under paragraph 2 of Schedule 6A of the Act, has not:
 - (a) responded in the manner directed, in those notices or otherwise, by the Authority; nor
 - (b) taken other steps as may also be directed by the Authority;
- the second of which notices will specify the effective date of the proposed cancellation.
27. SUP 7.2.2DG states that:
- (1) the Authority's additional own-initiative variation power under Schedule 6A to the Act (which includes the power to cancel the Part 4A permission of an Authority-authorized firm under Schedule 6A of the Act and references to "additional own-initiative variation power in the remainder of this Notice of Decision should be read as such) has, unlike the Authority's own-initiative variation power under section 55J of the Act, a single basis: that it appears to the Authority that the relevant Authority-authorized person is not carrying on any regulated activity to which its Part 4A permission relates.
 - (2) if the Authority uses its additional own-initiative variation power, it is therefore more likely to cancel the relevant firm's Part 4A permission, rather than merely varying it by removing or amending the description of one or more such activities or by imposing one or more limitations.
 - (3) the Authority will, however, consider all relevant facts and circumstances, including, without restriction:
 - (a) the relevant firm's responses, if any, to the notices given by the Authority under paragraph 2 of Schedule 6A; and
 - (b) if applicable, the factors described in SUP 6.4.22G, including whether there are any matters relating to the firm requiring investigation,

before deciding whether to use its additional own-initiative variation power and whether to use it to cancel or vary.

28. SUP 7.2.7G(1) states that a firm has no right of referral to the Tribunal in respect of the Authority exercising its additional own-initiative variation power, under Schedule 6A to the Act, on the Authority-authorized firm's Part 4A permission.
