FACTS AND MATTERS

4. FLMNI was authorised by the Authority on 28 February 2016 and given a Part 4A permission to conduct the following regulated activities in relation to consumer credit:
 - i. agreeing to carry on a regulated activity;
 - ii. credit broking;
 - iii. debt adjusting; and
 - iv. debt-counselling.

5. FLMNI failed to pay periodic fees and levies owed to the Authority as required under the Handbook under the rules set out in FEES 4.2.1R, 4.3.1R, 5.7.1R, 6.7.1R, 6.7.3R, 7A.3.1R and 13.2.1R. In particular FLMNI has failed to pay:
 - (a) an invoice dated 8 September 2020 for periodic fees and levies of £160.33 which had been due for payment by 7 December 2020;
 - (b) an invoice dated 17 September 2021 for periodic fees and levies of £305.30 which had been due for payment by 16 December 2021; and
 - (c) an invoice dated 31 August 2022 for periodic fees and levies of £408.24 which had been due for payment by 30 September 2022.
6. In addition, under SUP 16.3.13R, 16.12.3R, SUP 16.12.4R and SUP 16.12.29CR, FLMNI is required to submit the Returns to the Authority by the relevant due date. However, FLMNI has failed to submit the Returns to the Authority. Furthermore, under SUP 16.10.4R, 16.10.4AR and 16.10.14AAR, FLMNI is required to submit the FDA to the Authority by the relevant due date. However, FLMNI has failed to submit the FDA to the Authority.
7. The Authority therefore considers that FLMNI has failed to provide information to the Authority as is required by the Handbook, namely the information it is required to provide in the Returns and the FDA. There are no other matters that suggest FLMNI is carrying on regulated activities.
8. On 13 July 2023, the Authority gave FLMNI the Notice which stated that:
 - (a) it appears to the Authority that FLMNI is carrying on no regulated activity to which its Part 4A permission relates; and
 - (b) the Authority may take action to cancel FLMNI's Part 4A permission unless it responds to the Notice in the manner specified in the directions to the Notice.
9. FLMNI failed to respond to the Notice.
10. As a result of the matters specified above, on 15 August 2023, the Authority gave FLMNI the Further Notice which stated that:
 - a) the Authority considered that FLMNI is carrying on no regulated activity to which its Part 4A permission relates; and
 - b) the Authority proposes to cancel FLMNI's Part 4A permission on 14 September 2023 unless FLMNI takes the steps specified in the directions to the Further Notice.
11. FLMNI failed to take the steps specified in the Further Notice.

CANCELLATION OF PART 4A PERMISSION

12. From the facts and matters described above, and having regard to paragraph 1(3) of Schedule 6A to the Act, the Authority considers that FLMNI is carrying on no regulated activity to which its Part 4A permission relates. The Authority has therefore decided to cancel FLMNI's Part 4A permission. The cancellation of FLMNI's Part 4A permission takes effect on the date of this Notice of Decision.

13. The statutory and regulatory provisions relevant to this Notice of Decision are set out in the Annexes.
