11. Mrs Anderson failed to take the steps specified in the Further Notice.

12. From the facts and matters described above, and having regard to paragraph 1(3) of Schedule 6A to the Act, the Authority considers that Mrs Anderson is carrying on no regulated activity to which her Part 4A permission relates. The Authority has therefore decided to cancel Mrs Anderson's Part 4A permission. The cancellation of Mrs Anderson's Part 4A permission takes effect from the date of this Notice of Decision.

RELEVANT HANDBOOK PROVISIONS

5. In exercising its power to cancel an Authority-authorised person's Part 4A permission, the Authority must have regard to the regulatory requirements and guidance published in the Handbook and in regulatory guides, such as EG. The main considerations relevant to the action stated in this Notice of Decision are set out below.

Relevant Rules

10. SUP 16.3.13R(1) requires that:

"A *firm* must submit a report required by this chapter in the frequency, and so as to be received by the [Authority] no later than the due date, specified for that report."
11. SUP 16.3.13R(4) states that:

"If the due date for submission of a report required by this chapter is a set period of time after the end of a half-year, a quarter, or a month, the dates will be determined by (a) or (b) below except where otherwise indicated:

 - (a) the *firm's accounting reference date*;
 - (b) monthly, 3 monthly or 6 months after the *firm's accounting reference date*, as the case may be."
12. The specific reporting requirements for Mrs Anderson are set out in SUP 16.12.3R, SUP 16.12.4R and SUP 16.12.29CR and DISP 1.10.1R which stipulate the type, frequency and due

date of the regulatory report which Mrs Anderson is required to submit, according to the regulated activities which Mrs Anderson has permission to conduct:

RAG Number	Return(s) applicable (Relevant rule)	Frequency of return(s) to be submitted (Relevant rule)	Due date of return(s) to be submitted (Relevant rule)
RAG 12 (Credit-related regulated activity)	CCR001; CCR002; CCR003. (SUP 16.12.29CR)	Annually (SUP 16.12.29CR)	30 business days (SUP 16.12.29CR)
Consumer Credit full permission firms (DISP 1.10.1R(2))	CCR-Complaints (DISP 1.10.1R)	Annually (DISP 1.10.1R)	30 business days (DISP 1.10.5R)]

13. SUP 16.10.4R specifies that:

“(1) Within 60 business days of its accounting reference date, a firm must check the accuracy of its firm details through the relevant section of the [Authority] website.

[...]

(3) If any of the details are incorrect, the firm must submit the corrected firm details to the [Authority] using the appropriate form set out in SUP 15 Ann 3 and in accordance with SUP 16.10.4AR.”

14. SUP 16.10.4AR(1) specifies that:

“A firm must submit any corrected firm details under SUP 16.10.14R(3) using the appropriate online systems accessible through the [Authority’s] website.”

15. SUP 16.10.14AAR, which applies where, in complying with SUP 16.10.14R(1), a firm does not need to submit corrected firm details under SUP 16.10.14R(3), specifies that:

“(2) Within 60 business days of its accounting reference date, a firm must submit a report to the [Authority] confirming that the firm details which it has checked under SUP 16.10.14R(1) remain accurate, using the appropriate online systems accessible through the [Authority’s] website.”

Guidance concerning the use of the Authority’s additional power to cancel an authorised firm’s Part 4A permission on its own initiative

16. Guidance on the use of the Authority’s power to cancel an Authority-authorized person’s Part 4A permissions on its own initiative under Schedule 6A to the Act is set out in SUP and EG.
17. EG 8.5.2A states that the Authority may cancel the Part 4A permission of a firm that is an Authority-authorized person, under Schedule 6A of the Act, if:
 - (1) it appears to the Authority that the firm is carrying on no regulated activity to which the permission relates; and
 - (2) the firm has failed to respond as directed by the Authority to notices served by the Authority to the firm under paragraph 2 of Schedule 6A.
18. EG 8.5.2A also states that Schedule 6A specifies that the Authority may form the view that a firm is carrying on no such regulated activity on the basis of its failure to pay a periodic fee or levy or provide information to the Authority, in each case as required by the Handbook.
19. SUP sets out further guidance on the Authority’s power under Schedule 6A of the Act. In particular, SUP 7.2.2AG states that the Authority may decide to cancel an Authority-authorized person’s Part 4A permission using its powers under Schedule 6A of the Act:
 - (1) if that person appears to the Authority not to be carrying on any regulated activity to which the permission relates, including, without restriction, if the person has failed to:
 - (b) provide the Authority with information required under the Handbook.
 - (2) if that person, when served by the Authority with two notices under paragraph 2 of Schedule 6A of the Act, has not:
 - (a) responded in the manner directed, in those notices or otherwise, by the Authority; nor
 - (b) taken other steps as may also be directed by the Authority;the second of which notices will specify the effective date of the proposed cancellation.
20. SUP 7.2.2DG states that:
 - (1) the Authority’s additional own-initiative variation power under Schedule 6A to the Act (which includes the power to cancel the Part 4A permission of an Authority-authorized firm under Schedule 6A of the Act and references to “additional own-initiative variation power in the remainder of this Notice of Decision should be read as such) has, unlike the Authority’s own-initiative variation power under section 55J of the Act, a single basis: that it appears to the Authority that the relevant Authority-authorized person is not carrying on any regulated activity to which its Part 4A permission relates.
 - (2) if the Authority uses its additional own-initiative variation power, it is therefore more likely to cancel the relevant firm’s Part 4A permission, rather than merely varying it by removing or amending the description of one or more such activities or by imposing one or more limitations.

(3) the Authority will, however, consider all relevant facts and circumstances, including, without restriction:

(a) the relevant firm's responses, if any, to the notices given by the Authority under paragraph 2 of Schedule 6A; and

(b) if applicable, the factors described in SUP 6.4.22G, including whether there are any matters relating to the firm requiring investigation,

before deciding whether to use its additional own-initiative variation power and whether to use it to cancel or vary.

21. SUP 7.2.7G(1) states that a firm has no right of referral to the Tribunal in respect of the Authority exercising its additional own-initiative variation power, under Schedule 6A to the Act, on the Authority-authorized firm's Part 4A permission.
