Guidance concerning the use of the Authority's additional power to cancel an authorised firm's Part 4A permission on its own initiative

13. Guidance on the use of the Authority's power to cancel an Authority-authorised person's Part 4A permissions on its own initiative under Schedule 6A to the Act is set out in SUP and EG.

14. EG 8.5.2A states that the Authority may cancel the Part 4A permission of a firm that is an Authority-authorised person, under Schedule 6A of the Act, if:

(1) it appears to the Authority that the firm is carrying on no regulated activity to which the permission relates; and

(2) the firm has failed to respond as directed by the Authority to notices served by the Authority to the firm under paragraph 2 of Schedule 6A.

15. EG 8.5.2A also states that Schedule 6A specifies that the Authority may form the view that a firm is carrying on no such regulated activity on the basis of its failure to pay a periodic fee or levy or provide information to the Authority, in each case as required by the Handbook.

16. SUP sets out further guidance on the Authority's power under Schedule 6A of the Act. In particular, SUP 7.2.2AG states that the Authority may decide to cancel an Authority-authorised person's Part 4A permission using its powers under Schedule 6A of the Act:

(1) if that person appears to the Authority not to be carrying on any regulated activity to which the permission relates including, without restriction, if the person has failed to:

(a) pay a periodic fee or levy under the Handbook;

(2) if that person, when served by the Authority with two notices under paragraph 2 of Schedule 6A of the Act, has not:

(a) responded in the manner directed, in those notices or otherwise, by the Authority; nor

(b) taken other steps as may also be directed by the Authority;

the second of which notices will specify the effective date of the proposed cancellation.

17. SUP 7.2.2CG states that, apart from the circumstances described in SUP 7.2.2AG(1), the Authority may also form the view, under Schedule 6A of the Act, that a firm is no longer conducting any regulated activity to which its permission relates in light of, without restriction:

(1) one or more reports, provided to the Authority by the firm, under SUP 16 or otherwise, indicating that it is no longer doing so.

18. SUP 7.2.2DG states that:

(1) the Authority's additional own-initiative variation power under Schedule 6A to the Act (which includes the power to cancel the Part 4A permission of an Authority-authorised firm under Schedule 6A of the Act and references to "additional own-initiative variation power in the remainder of this Notice of Decision should be read as such) has, unlike the Authority's own-initiative variation power under section 55J of the Act, a single basis: that it appears to the Authority that the relevant Authority-authorised person is not carrying on any regulated activity to which its Part 4A permission relates.

(2) if the Authority uses its additional own-initiative variation power, it is therefore more likely to cancel the relevant firm's Part 4A permission,

rather than merely varying it by removing or amending the description of one or more such activities or by imposing one or more limitations.

(3) the Authority will, however, consider all relevant facts and circumstances, including, without restriction:

(a) the relevant firm's responses, if any, to the notices given by the Authority under paragraph 2 of Schedule 6A; and

(b) if applicable, the factors described in SUP 6.4.22G, including whether there are any matters relating to the firm requiring investigation,

before deciding whether to use its additional own-initiative variation power and whether to use it to cancel or vary.

19. SUP 7.2.7G(1) states that a firm has no right of referral to the Tribunal in respect of the Authority exercising its additional own-initiative variation power, under Schedule 6A to the Act, on the Authority-authorized firm's Part 4A permission.
