We need fees and levies information to calculate your fees for the Financial Conduct Authority (FCA), Financial Guidance Levy (FGL) and the Financial Ombudsman Service (FOS).

This guidance sheet provides details on the data to include within the firm's fee tariff data form. We have given links to relevant parts of the Handbook to help you submit the form correctly. This sheet covers the following fee-blocks:

- **FCA fee-block AG10 or G010**
- **FOS industry block IA18**

For more information on this, including which regulated activities place firms into the above fee-blocks, please refer to the Fees manual ([FEES](#)) Annex 11R of our Handbook.

Each year we consult on any proposed fee policy changes and fee tariff bases may be subject to change. So before submitting the fee tariff data, you should also refer to the [latest publications](#) about fees on our website. These explain any proposed changes to the tariff data you must report, and the expected date when any changes will be implemented.

#### **FCA fee-block: AG10 or G010 – authorised electronic money issuers**

##### **Tariff base: average outstanding electronic money**

This is defined in our fees handbook, part 3 of [FEES 4 Annex 11R](#).

Average outstanding electronic money as defined under regulation 2(1) of the [Electronic Money Regulations](#).

This is the average total amount of financial liabilities related to [electronic money](#) in issue at the end of each calendar day over the preceding twelve calendar months (which is the period ending on the date set out under Part 4), calculated on the first calendar day of each calendar month and applied for that calendar month (million).

## **FEES AND LEVIES 2026/27 – REQUEST FOR FEE-TARIFF DATA**

#### **IMPORTANT**

**Firms registered for online invoicing must submit the data online; any completed paper forms should be emailed to [feetariffreturns@fca.org.uk](mailto:feetariffreturns@fca.org.uk) before the date shown on the front of your fee tariff data letter.**
