Regulatory fees and levies 2026/27

Fee-blocks A001 and I001

FOS	Tariff base	Number of relevant accounts

We need fees and levies information to calculate your fees for the Financial Conduct Authority (FCA), Prudential Regulation Authority (PRA), Financial Guidance Levy (FGL) and the Financial Ombudsman Service (FOS). We provide separate guidance for data relevant to the [FSCS levies](#).

This guidance sheet provides details on the data to include within the firm's fee tariff data submission. We have given links to relevant parts of our Handbook to help you complete the form correctly. This sheet covers the following fee-blocks:

- **FCA fee-block A001**
- **FOS industry block I001**

For more information on this, including which regulated activities place firms into fee-blocks, please refer to the fees manual ([FEES](#))

Each year we consult on any proposed fee policy changes and fee tariff bases may be subject to change. So before submitting the fee tariff data, you should also refer to the [latest publications](#) about fees on our website. These explain any proposed changes to the tariff data you must report, and the expected date when changes will be implemented.

For publications and further information on fees and levies, visit our [fees webpages](#).

Notes:

Your firm is allocated to FSCS class 6, deposit acceptors' contribution (CLDA), which replaced FSCS class F and is in addition to deposit class, SA01. The tariff base is the same for both classes. See the guidance for FSCS class [SA01](#). Your firm is also allocated to class 2 category 4 Structured deposits provision (CLII-4), See guidance for [CLII-4](#).

FEES AND LEVIES 2026/27 – REQUEST FOR FEE-TARIFF DATA

FCA fee-block: A001 – deposit acceptors

Tariff base: modified eligible liabilities

Firms do not need to report tariff data for fee-block A1; we obtain this data from our own regulatory systems.

The modified eligible liability (MEL) is the data we use to calculate FCA and PRA fees for A1 fee-block. This data is obtained from the following sources:

- For banks and building societies: from the Form Eligible Liabilities (ELS) submitted either monthly or quarterly
For a monthly reporter – this will be the last three months of 2025
For a quarterly reporter – this will be the quarter ending 31/12/25
 - For credit unions: from returns submitted either quarterly or yearly
- We define MEL under [FEES 4, Annex 1A](#)

FEES AND LEVIES 2026/27 – REQUEST FOR FEE-TARIFF DATA

FOS industry block: I001 – deposit acceptors, home finance providers and administrators

Tariff base: number of relevant accounts as at 31st December 2025.

The number of relevant accounts refers to business covered by the Compulsory Jurisdiction within [DISP 2.6.1R](#) - For rules on the Number of Relevant Accounts refer to [FEES 5, Annex 1R](#). Report only those accounts that are held by consumers. You only need to count an account once even if it is relevant to two or more activities.

We do not ask FOS tariff data from Credit Unions; they pay a flat levy under FOS Industry block I014.
