FRN: **740092**

Dated: **20 September 2018**

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against Mr Billings.
2. The Authority issued to Mr Billings the Decision Notice which notified Mr Billings that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel Mr Billings's Part 4A permission.
3. Mr Billings has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was given to him.
4. Accordingly, the Authority has today cancelled Mr Billings's Part 4A permission.

“the Warning Notice” means the Warning Notice issued to Mr Billings dated 5 July 2018.

REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that Mr Billings is failing to meet the suitability Threshold Condition, in that the Authority is not satisfied that Mr Billings is a fit and proper person having regard to all the circumstances, including whether Mr Billings managed his business in such a way as to ensure that his affairs were conducted in a sound and prudent manner.
7. Mr Billings has failed to pay the Overdue Balance and he has not been open and co-operative in all his dealings with the Authority, in that Mr Billings has failed to respond to the Authority’s repeated requests for him to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that he is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failures, which are significant in the context of Mr Billings’s suitability, lead the Authority to conclude that Mr Billings has failed to manage his business in such a way as to ensure that his affairs are conducted in a sound and prudent manner, that he is not a fit and proper person, and that he is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which he was granted a Part 4A permission.
