“the Overdue Balance” means the amount owed by JAL to the Authority comprising an invoice dated 11 August 2016 for £108.75 for regulatory fees and levies for the period 1 April 2016 to 31 March 2017, which was due for payment by 10 September 2016;

“the Tribunal” means the Upper Tribunal (Tax and Chancery Chamber); and

“the Warning Notice” means the Warning Notice issued to JAL dated 17 February 2017.

REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that JAL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that JAL is a fit and proper person having regard to all the circumstances, including whether JAL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. JAL has failed to pay the Overdue Balance and it has not been open and co-operative in all its dealings with the Authority, in that JAL has failed to respond to the Authority’s repeated requests for it to pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards under the regulatory system.
8. These failures, which are significant in the context of JAL’s suitability, lead the Authority to conclude that JAL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which it has had a permission.
