
FINAL NOTICE

To: Christopher John Liston

Of: 12 Elmleigh Court
Midhurst
West Sussex
GU29 9HB

Date: 8 September 2003

TAKE NOTICE: The Financial Services Authority of 25 The North Colonnade, Canary Wharf, London E14 5HS (“FSA”) gives you final notice of the withdrawal of your approval to perform the controlled function of investment adviser.

1. THE ORDER

- 1.1. The FSA gave you a Decision Notice on 29 July 2003 which notified you that, pursuant to section 63 of the Financial Services and Markets Act 2000 (“the Act”), the FSA had decided to withdraw your approval to perform the controlled function of investment adviser with Moran Webb Insurance Consultants (“Moran Webb”).
- 1.2. You have not referred the matter to the Financial Services and Markets Tribunal within 28 days of the date on which the Decision Notice was given to you.
- 1.3. Accordingly, for the reasons set out below, and having taken account of the written representations dated 7 July 2003, the FSA hereby withdraws your approval to

perform the investment adviser function with Moran Webb. This order has effect from 8 September 2003.

2. REASONS FOR THE ORDER

- 2.1. On the basis of the facts and matters described below, the FSA is not satisfied that you are a fit and proper person to perform the controlled function of investment adviser with Moran Webb.

Statutory Provisions

- 2.2. The FSA's regulatory objectives established in section 2(2) of the Act include the protection of consumers and market confidence, that is maintaining confidence in the financial system.
- 2.3. Section 63 of the Act authorises the FSA to withdraw an approval if it considers that the person in respect of whom it was given is not a fit and proper person to perform the function to which the approval relates. Section 63 also permits the FSA, when considering whether to withdraw an approval, to take into account any matter which it could take into account if it were considering an application made under section 60 of the Act in respect of the performance of that function.

Relevant Guidance

- 2.4. The Fit and Proper test for Approved Persons ("FIT") sets out the criteria that the FSA will consider when assessing the fitness and propriety of an approved person to perform a particular controlled function.
- (1) The most important considerations include the person's honesty, integrity, and reputation (FIT 1.3.1).
- (2) If a matter comes to the FSA's attention which suggests that the person might not be fit and proper, the FSA will take into account how relevant and how important that matter is (FIT 1.3.4).
- 2.5. In determining a person's honesty, integrity and reputation, the matters to which the FSA will have regard include whether the person has been convicted of any criminal offence, with particular consideration to be given to offences of dishonesty or fraud (FIT 2.1.3(1)).

Facts and Matters Relied Upon

- 2.6. On 28 May 2002, at the Chichester Crown Court, you pleaded guilty to eight counts of obtaining a money transfer by deception contrary to section 15A of the Theft Act 1968. The Court imposed a custodial sentence of two years on each count, all to run concurrently, suspended for two years. Under section 79 of the Powers of the Criminal Court (Sentencing) Act 2000 the Court may only pass a custodial sentence where the offence is so serious that such a sentence can be justified by the offence.

- 2.7. Your conduct between 1997 and 2000, which provided the grounds for the indictment, involved dishonesty (in respect of the deception of your then employer and clients), fraud and forgery. Throughout that period you were a PIA registered individual and employed by a financial services firm (not Moran Webb).
- 2.8. Your conduct, while not necessarily giving you an advantage financially, disadvantaged your customers by leaving them exposed to the possibility of being uninsured, or in the alternative, disadvantaged your employer by leaving it exposed to risks not correctly analysed. Your offences involved money belonging to clients and breach of the clients' trust, and occurred during the course of your employment as a financial consultant.
- 2.9. The facts and matters described above lead the FSA, having regard to its regulatory objectives which include the protection of consumers and maintaining confidence in the financial system, to the following conclusions:
- (1) You have been convicted of criminal offences, involving both dishonesty and fraud, of such seriousness as to justify a custodial sentence;
 - (2) Those convictions, and the admitted conduct which gave rise to them, go directly to impugn your honesty, integrity and reputation and are both relevant and important in the context of the performance of any controlled function;
 - (3) The suspended sentence imposed has not expired and is still active.
- 2.10. Accordingly, the FSA considers that you are not a fit and proper person to perform the controlled function of investment adviser with Moran Webb.

3. IMPORTANT NOTICES

- 3.1. This Final Notice is given to you in accordance with section 390 of the Act.

The information may be published in such manner as the FSA considers appropriate.
