Dated: **4 May 2018**

ACTION

1. For the reasons set out in this Final Notice, the Authority hereby takes the following action against WTL.
2. The Authority issued to WTL the Decision Notice which notified WTL that for the reasons given below and pursuant to section 55J of the Act, the Authority had decided to cancel WTL's Part 4A permission.
3. WTL has not referred the matter to the Tribunal within 28 days of the date on which the Decision Notice was given to it.
4. Accordingly, the Authority has today cancelled WTL's Part 4A permission.

“the Act” means the Financial Services and Markets Act 2000;

“the Principles” means the Authority’s Principles for Businesses;

“the Return” means CCR007 return for the period ended 31 January 2017, which WTL was due to submit to the Authority by 14 March 2017;

REASONS FOR THE ACTION

6. On the basis of the facts and matters and conclusions described in the Warning Notice, and in the Decision Notice, it appears to the Authority that WTL is failing to satisfy the suitability Threshold Condition, in that the Authority is not satisfied that WTL is a fit and proper person having regard to all the circumstances, including whether WTL managed its business in such a way as to ensure that its affairs were conducted in a sound and prudent manner.
7. WTL has failed comply with the regulatory requirement to submit the Return and pay the Overdue Balance. WTL has not been open and co-operative in all its dealings with the Authority, in that WTL has failed to respond to the Authority’s repeated requests for it to submit the Return and pay the Overdue Balance, and has thereby failed to comply with Principle 11 of the Principles and to satisfy the Authority that it is ready, willing and organised to comply with the requirements and standards of the regulatory system.
8. These failures, which are significant in the context of WTL’s suitability, lead the Authority to conclude that WTL has failed to manage its business in such a way as to ensure that its affairs are conducted in a sound and prudent manner, that it is not a fit and proper person, and that it is therefore failing to satisfy the Threshold Conditions in relation to the regulated activities for which it was granted a Part 4A permission.
