

**Addendum to Policy Statement PS13/1**

**As published: 26 April 2013**

**Please Note:**

Due to a publishing error, an incorrect version of FCA 2013/43 Conduct of Business Sourcebook (Platforms) (Amendment) Instrument 2013 was included in the list of instruments on the Handbook Online. The correct version of this instrument has been loaded, can now be accessed online, and is attached to this policy statement.

Two rules - COBS 6.1E.-1 R and COBS 6.1F.-1 R - were incorrectly omitted from the previously published version. These have now been restored. Please accept our sincere apologies for any inconvenience this might have caused you. The Handbook Online already reflects the insertion of these rules and has not been updated.
