Rules and guidance

UKLR 9

UKLR 9.34.2R(2) relates to a long-term incentive scheme which is set up to facilitate the retention or recruitment of a director. Despite the disclosure requirement set out in UKLR 9.34.3R, it is important to note that application of this rule is limited to 'unusual circumstances', as it allows the issuer to avoid a shareholder vote in respect of the arrangement. For this reason, we expect this rule would be rarely used in practice. In circumstances where issuers are in any doubt about the application of the rule, they should contact the ~~UKLA~~ FCA as early as possible to seek guidance.
