Dated: **15 April 2008**

TAKE NOTICE: The Financial Services Authority of 25 The North Colonnade, Canary Wharf, London E14 5HS (the "FSA") has taken the following action

1. ACTION

1.1 For the reasons listed below and pursuant to section 45 of the Financial Services and Markets Act 2000 (the "Act"), the FSA has decided to vary the permission granted to you, Rod Allcock trading as Rod Allcock Insurance Services, pursuant to Part IV of the Act ("your Part IV permission") by removing all regulated activities with immediate effect. Accordingly, your Part IV permission no longer includes the following regulated activities:

- (a) advising on investments (except on Pension Transfers and Pension Opt Outs);
- (b) agreeing to carry on a regulated activity;
- (c) arranging (bringing about) deals in investments;
- (d) assisting in the administration and performance of a contract of insurance;

- (e) dealing in investments as an agent, and
 - (f) making arrangements with a view to transactions in investments.
- 1.2 The FSA has further decided to vary your Part IV permission by including the following requirements, namely that within 14 days you must:
- (i) notify in writing all clients for your regulated activities that you do not have Professional Indemnity Insurance ("PII") in place and that you are no longer permitted by the FSA to carry on regulated activities, and
 - (ii) provide the FSA with a copy of the written notification sent to all clients for your regulated activities pursuant to (i) above, together with a list of all clients to whom such notification has been sent.

2. REASONS FOR ACTION

Summary

- 2.1 The FSA has concluded, on the basis of the facts and matters described below, that you are failing to satisfy the Threshold Conditions set out in Schedule 6 to the Act (the "threshold conditions") in that, in the opinion of the FSA, your resources are not adequate in relation to the regulated activities you have permission to carry on.
- 2.2 The FSA also considers, on the basis of those facts and matters, that it is necessary, in order to protect the interests of consumers, for the action specified above to take immediate effect.

Relevant Statutory Provisions

- 2.3 The FSA's regulatory objectives established in section 2(2) of the Act include the protection of consumers.
- 2.4 The FSA is authorised by section 45 of the Act to exercise the following powers:
- to vary an authorised person's permission where it appears to the FSA that such person is failing to satisfy the threshold conditions;
 - to vary such a permission by removing a regulated activity from those for which the permission is given, and
 - to include any provision in the permission as varied that could be included if a fresh permission were being given in response to an application under section 40 of the Act, including the imposition pursuant to section 43 of the Act of such requirements as the FSA considers appropriate.
- 2.5 Section 53(3) of the Act allows such a variation to take effect immediately if the FSA reasonably considers that it is necessary for the variation to take effect immediately.
- 2.6 Paragraph 4(1) of Schedule 6 to the Act sets out Threshold Condition 4, which states that:

"The resources of the person concerned must, in the opinion of the Authority, be adequate in relation to the regulated activities that he seeks to carry on, or carries on."

Relevant Handbook Provisions

- 2.7 In exercising its power to vary a Part IV permission, the FSA must have regard to relevant provisions in the FSA Handbook of rules and guidance (the "FSA Handbook"). The relevant main considerations in relation to the action specified above are set out below.

Relevant Rules

- 2.8 FSA Rule 3.2.1R (the "PII Rule") in the Mortgage and Home Finance Firms, and Insurance Intermediaries ("MIPRU") section of the FSA Handbook of Rules and Guidance (the "FSA Handbook"), requires that:

"A firm must take out and maintain professional indemnity insurance that is at least equal to the requirements of MIPRU 3.2.4R..."

Relevant Principle

- 2.9 Principle 4 (Financial prudence) requires a firm to maintain adequate financial resources as laid out in the Principles for Businesses in the FSA Handbook.

Guidance concerning Threshold Condition 4: Adequate resources (paragraph 4, Schedule 6 to the Act)

- 2.10 COND 2.4.1D(1) reproduces the relevant statutory provision that the resources of the person concerned must, in the opinion of the FSA, be adequate in relation to the regulated activities that he seeks to carry on, or carries on.
- 2.11 COND 2.4.1D(2), sets out that the FSA may, when forming its opinion as to whether the resources of an authorised person are adequate in relation to the regulated activities that he carries on, have regard to the provision he makes in respect of liabilities (including contingent and future liabilities).
- 2.12 COND 2.4.4G(3), requires the FSA only to take into account relevant matters which are material in relation to the regulated activities for which the authorised person has permission.

EG 8 - The FSA's policy for exercising its own-initiative power to vary a Part IV permission

- 2.13 The FSA's approach to exercising its main enforcement powers is set out in the Enforcement Guide ("EG"). EG 8.1 provides that the FSA will have regard to its regulatory objectives and the range of regulatory tools that are available to it when it considers how it should deal with a concern about a firm.

- 2.14 EG 8.2 provides that the FSA will take formal action affecting the conduct of a firm's commercial business only if that business is being conducted in such a way that the FSA judges it necessary to act in order to address the consequences of non-compliance with the Act and the Principles for Businesses.
- 2.15 EG 8.5 provides that the circumstances in which the FSA will consider exercising its power include where the FSA has serious concerns that the authorised person has breached requirements imposed on it by or under the Act (including Principles and rules) and the breaches are material in number or individual seriousness. EG 8.5(1)(a) specifies that the FSA will consider exercising its own-initiative power where a firm's financial resources appear inadequate for the scale or type of regulated activity it is carrying on, for example where it has failed to maintain professional indemnity insurance.
- 2.16 EG 8.9 includes, among the factors which will determine whether the urgent exercise of the FSA's own-initiative power is an appropriate response to serious concerns, the extent of any loss or risk of loss or other adverse effect on consumers and the steps the authorised person has taken or is taking to address the issue.

Facts and matters relied on

- 2.17 You have been authorised by the FSA since 14 January 2005 to carry on general insurance mediation business.
- 2.18 You have failed to demonstrate that you maintain PII despite repeated requests and warnings from the FSA.

Conclusions

- 2.19 The facts and matters described above lead the FSA, having regard to its regulatory objectives, which include the protection of consumers, to the following conclusions:
- having failed to demonstrate that you have compliant PII or otherwise satisfy the FSA that you have adequate resources, you are failing to make adequate provision in respect of your liabilities, including contingent and future liabilities, in breach of FSA Principle 4. That failing is material in relation to the regulated activities for which you have permission and you therefore fail to satisfy Threshold Condition 4: Adequate Resources;
 - the risk of loss or other adverse effect on consumers by your failing, which is a material breach of a requirement imposed upon you by the FSA's rules, causes the FSA to have very serious concerns about you such that the exercise of the FSA's own-initiative power to vary your Part IV permission with immediate effect is an appropriate response to those concerns, and
 - specifically, the variation of your Part IV permission should take immediate effect to address the FSA's serious concern that claims for which you are uninsured might arise from new business.
