TAKE NOTICE: The Financial Services Authority of 25 The North Colonnade, Canary Wharf, London E14 5HS (the "FSA") has taken the following action

1. ACTION

1.1 For the reasons listed below and pursuant to section 45 of the Financial Services and Markets Act 2000 (the "Act"), the FSA has decided to vary the permission granted to SW Technologies Limited ("SWT"), pursuant to Part IV of the Act ("SWT's Part IV permission") by removing all regulated activities with immediate effect. Accordingly, SWT's Part IV permission no longer includes the following regulated activities:

- (a) agreeing to carry on a regulated activity;
- (b) arranging (bringing about) deals in investments; and
- (c) making arrangements with a view to transactions in investments.

1.2 The FSA has further decided to vary SWT's Part IV permission by including the following requirements, namely that within 14 days SWT must:

- (i) advise in writing all clients for SWT's regulated activities that it does not have professional indemnity insurance ("PII") in place and that it is no longer permitted by the FSA to carry on regulated activities; and

- (ii) provide the FSA with a copy of the written advice sent to all clients for its regulated activities pursuant to (i) above, together with a list of all clients to whom such advice has been sent.

2. REASONS FOR ACTION

Summary

- 2.1 The FSA has concluded, on the basis of the facts and matters described below, that SWT is failing to satisfy the Threshold Conditions set out in Schedule 6 to the Act (the "Threshold Conditions") in that, in the opinion of the FSA, SWT's resources are not adequate in relation to the regulated activities it has permission to carry on.
- 2.2 The FSA also considers, on the basis of those facts and matters, that it is necessary, in order to protect the interests of consumers, for the action specified above to take immediate effect.

Relevant statutory provisions

- 2.3 The FSA's regulatory objectives established in section 2(2) of the Act include the protection of consumers.
- 2.4 The FSA is authorised by section 45 of the Act to exercise the following powers:
- to vary an authorised person's permission where it appears to the FSA that such person is failing to satisfy the Threshold Conditions;
 - to vary such a permission by removing a regulated activity from those for which the permission is given; and
 - to include any provision in the permission as varied that could be included if a fresh permission were being given in response to an application under section 40 of the Act, including the imposition pursuant to section 43 of the Act of such requirements as the FSA considers appropriate.
- 2.5 Section 53(3) of the Act allows such a variation to take effect immediately if the FSA reasonably considers that it is necessary for the variation to take effect immediately.
- 2.6 Paragraph 4(1) of Schedule 6 to the Act sets out Threshold Condition 4, which states that:

"The resources of the person concerned must, in the opinion of the Authority, be adequate in relation to the regulated activities that he seeks to carry on, or carries on."

Relevant Handbook provisions

- 2.7 In exercising its power to vary a Part IV permission, the FSA must have regard to relevant provisions in the FSA Handbook of Rules and Guidance (the "Handbook"). The main provisions relevant to the proposed action are set out below.

Relevant Principle

- 2.8 Principle 4 (Financial prudence) requires a firm to maintain adequate financial resources as laid out in the Principles for Businesses ("the Principles") in the Handbook.

Relevant Rule

- 2.9 MIPRU 3.2.1R (the "PII Rule") requires that:

"A *firm* must take out and maintain professional indemnity insurance that is at least equal to the requirements of this section [MIPRU 3.2.1R]"

Guidance concerning the relevant Threshold Condition

- 2.10 Guidance on Threshold Condition 4 is set out in Chapter 2.4 of the Part of the FSA Handbook entitled Threshold Conditions ("COND").

Guidance concerning - Threshold Condition 4: Adequate resources (paragraph 4, Schedule 6 to the Act)

- 2.11 COND 2.4.1UK(1) reproduces the relevant statutory provision that the resources of the person concerned must, in the opinion of the FSA, be adequate in relation to the regulated activities that he seeks to carry on, or carries on.
- 2.12 COND 2.4.1UK(2) permits the FSA, when forming its opinion as to whether the resources of an authorised person are adequate in relation to the regulated activities that he carries on, to have regard to the provision he makes in respect of liabilities (including contingent and future liabilities).
- 2.13 COND 2.4.4G(3) states that the FSA only takes into account relevant matters which are material in relation to the regulated activities for which the authorised person has permission.

Other relevant regulatory provisions

- 2.14 The FSA's policy in relation to its enforcement powers is set out in the Enforcement Guide ("EG"), certain provisions of which are summarised below.
- 2.15 EG 8.1(1) reflects the provisions of section 45 of the Act that the FSA may use its

own-initiative power to vary or cancel the permission of an authorised firm where a firm is failing or is likely to fail to satisfy the Threshold Conditions.

Varying a firm's Part IV permission on the FSA's own initiative

- 2.16 EG 8.1B provides that the FSA will have regard to its regulatory objectives and the range of regulatory tools that are available to it when it considers how it should deal with a concern about a firm.
- 2.17 EG 8.3 provides that the FSA will exercise its formal powers under section 45 of the Act, where the FSA considers it is appropriate to ensure a firm meets its regulatory requirements. EG 8.3(1) specifies that the FSA may consider it appropriate to exercise its powers where it has serious concerns about a firm or about the way its business is being or has been conducted.
- 2.18 EG 8.5 provides that the circumstances in which the FSA will consider exercising its power include where the FSA has serious concerns that the authorised person has breached requirements imposed on it by or under the Act (including Principles and rules) and the breaches are material in number or individual seriousness. EG 8.5(1)(a) specifies that the FSA will consider exercising its own-initiative power where a firm's financial resources appear inadequate, for example where it has failed to maintain PII.
- 2.19 EG 8.9(1) includes among the factors which will determine whether the urgent exercise of the FSA's own-initiative power is an appropriate response to serious concerns, the extent of any loss or risk of loss or other adverse effect on consumers.

Facts and matters relied on

- 2.20 SWT was authorised by the FSA on 13 May 2008 to conduct insurance mediation activity.
- 2.21 SWT has failed to satisfy the FSA that it maintains current PII, despite having had reasonable opportunities to do so.

Conclusions

- 2.22 The facts and matters described above lead the FSA, having regard to its regulatory objectives, which include the protection of consumers, to the following conclusions:
- by failing to satisfy the FSA that SWT has effected compliant PII it is failing to make adequate provision in respect of its liabilities, including contingent and future liabilities, in breach of Principle 4. That failing is material in relation to the regulated activities for which SWT has permission and it therefore fails to satisfy Threshold Condition 4 (Adequate resources);
 - the risk of loss or other adverse effect on consumers by SWT's failing, which is a material breach of a requirement imposed upon it by the FSA's rules, causes the FSA to have very serious concerns about the firm such that the exercise of the FSA's own-initiative power to vary its Part IV permission with immediate effect is an appropriate response to those concerns; and

- specifically, the variation of SWT's Part IV permission should take immediate effect to address the FSA's serious concern that claims for which it is uninsured might arise from new business.
